Student Innovation-Idea that showcase the rich cultural heritage and traditions of India.

Influencing the people by advertising in various sources

Using modern technology

- Create digital exhibitions, documentaries, apps.
- An social-media content that make Indian heritage interesting to younger generations.

Digital awareness survey

- Study how people learn about heritage through social media, websites, videos, and other digital platforms.

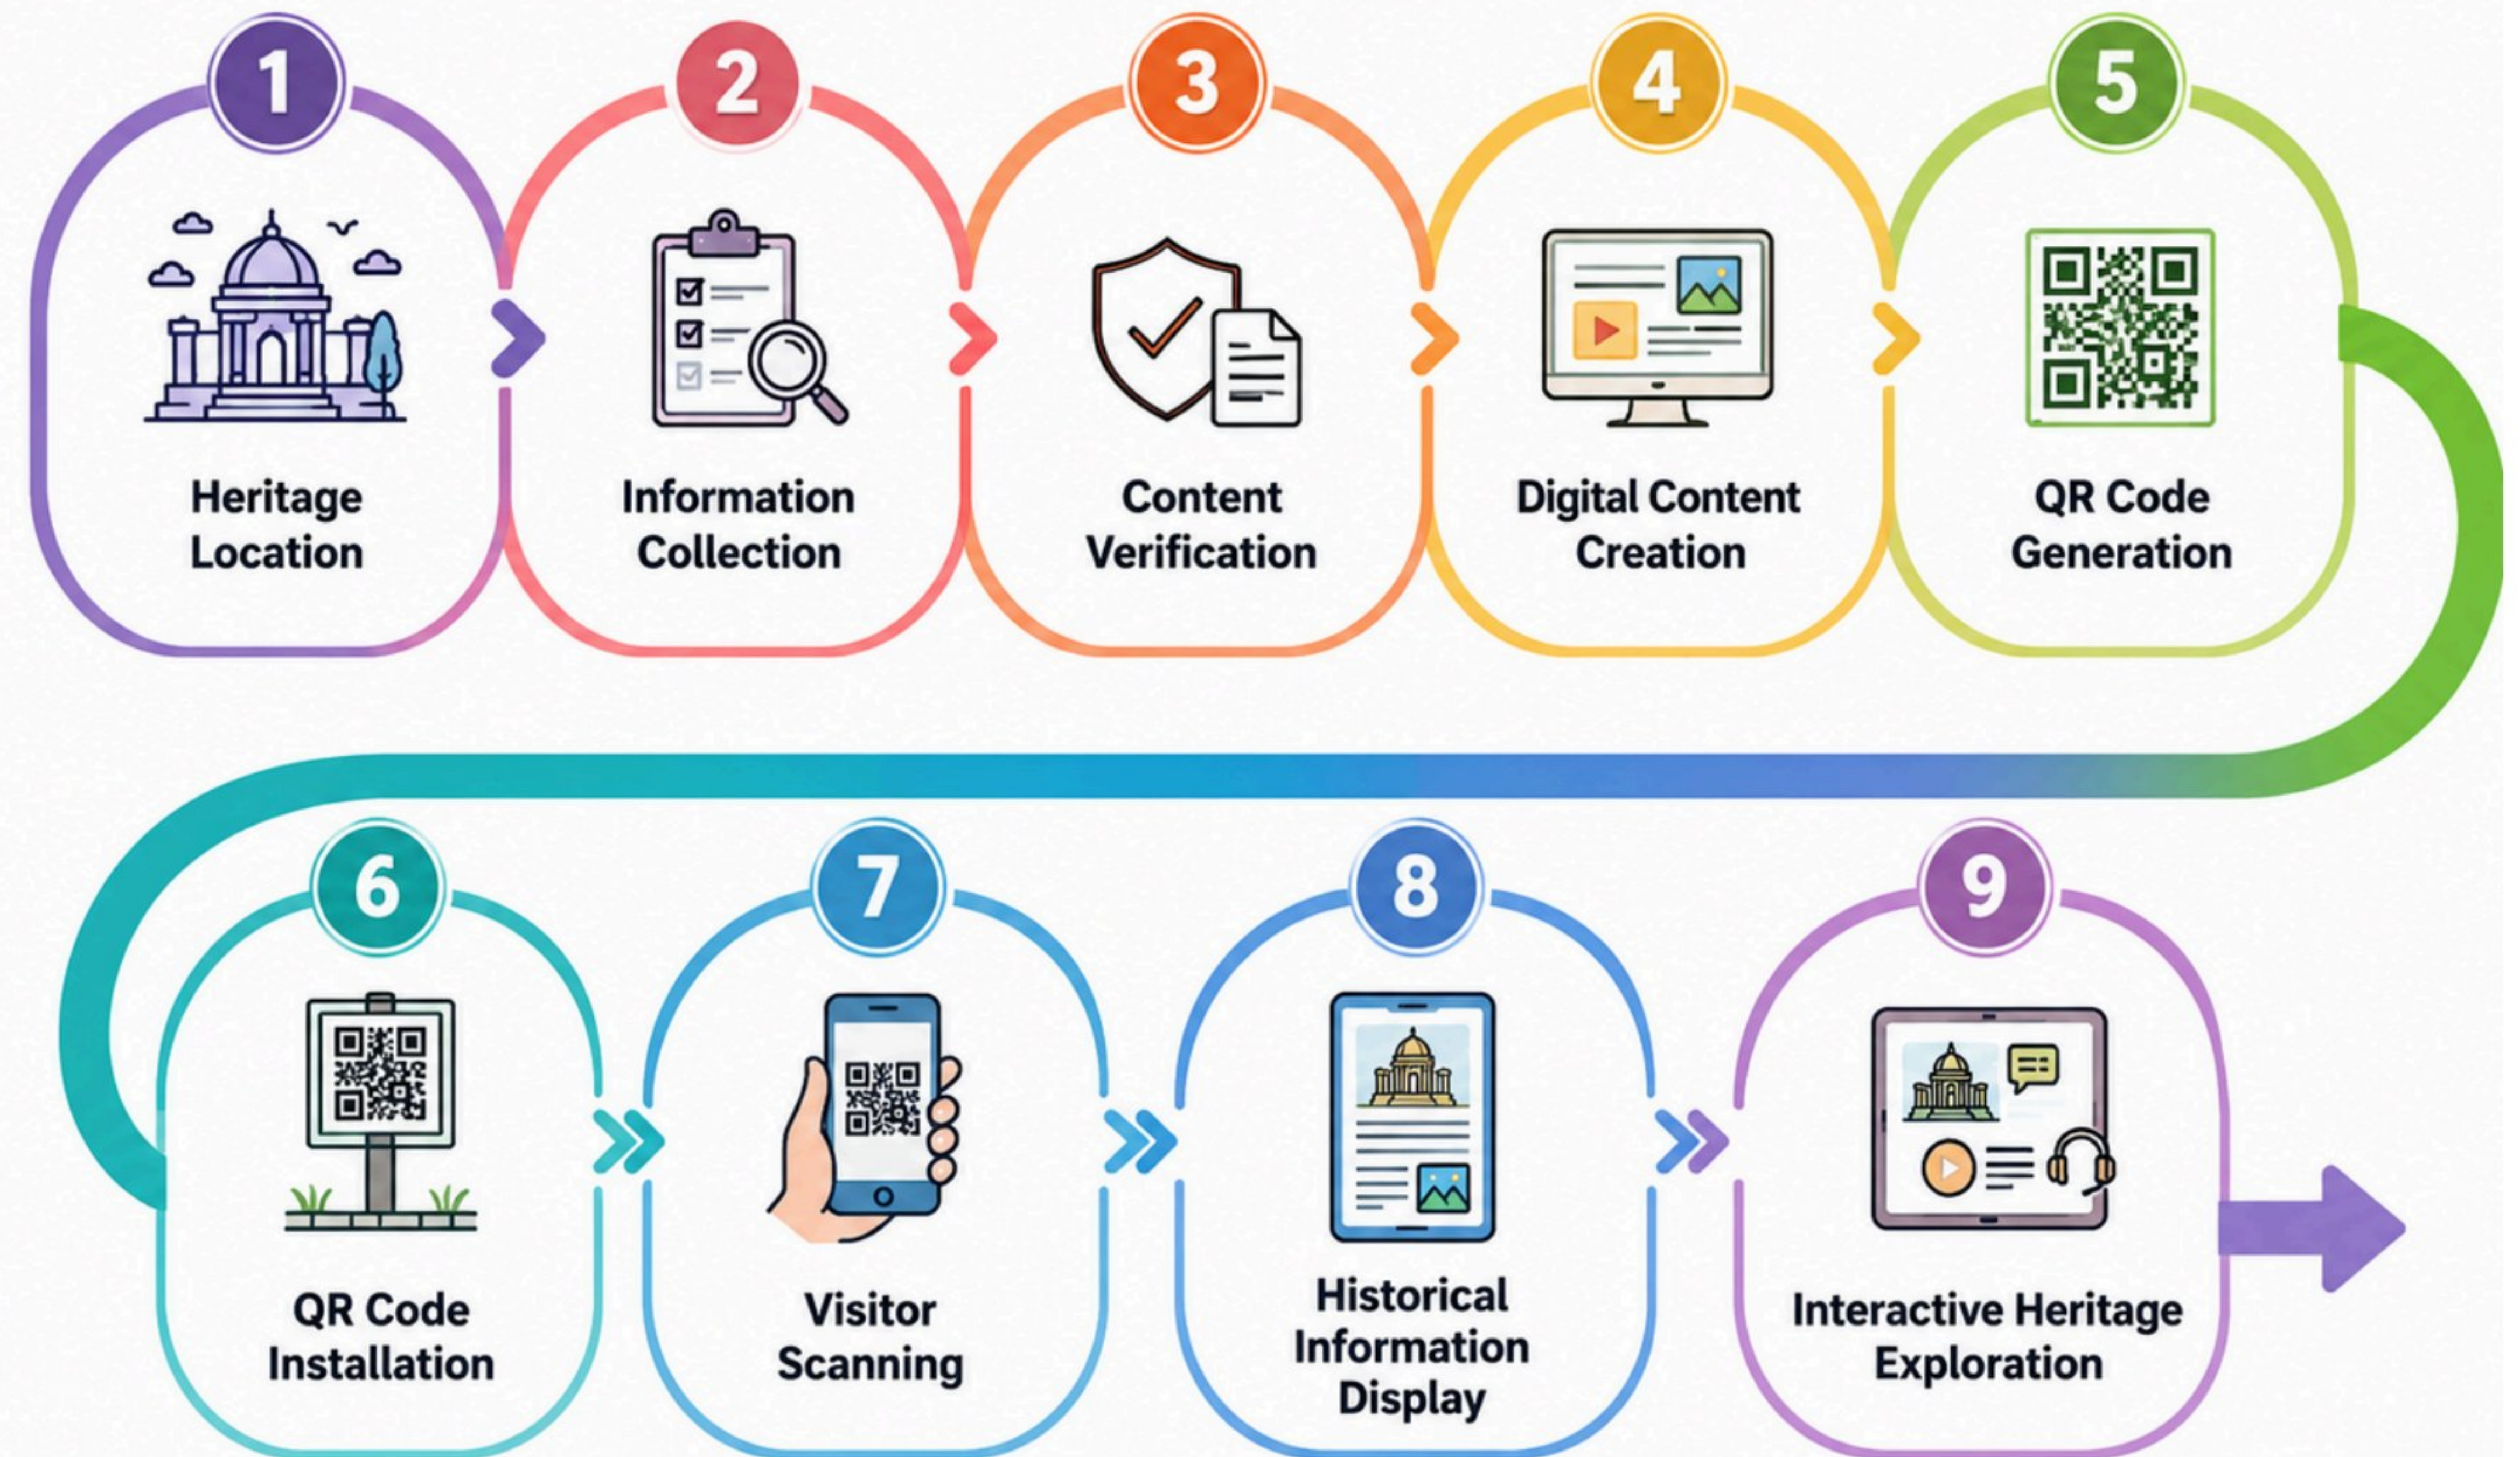

The idea

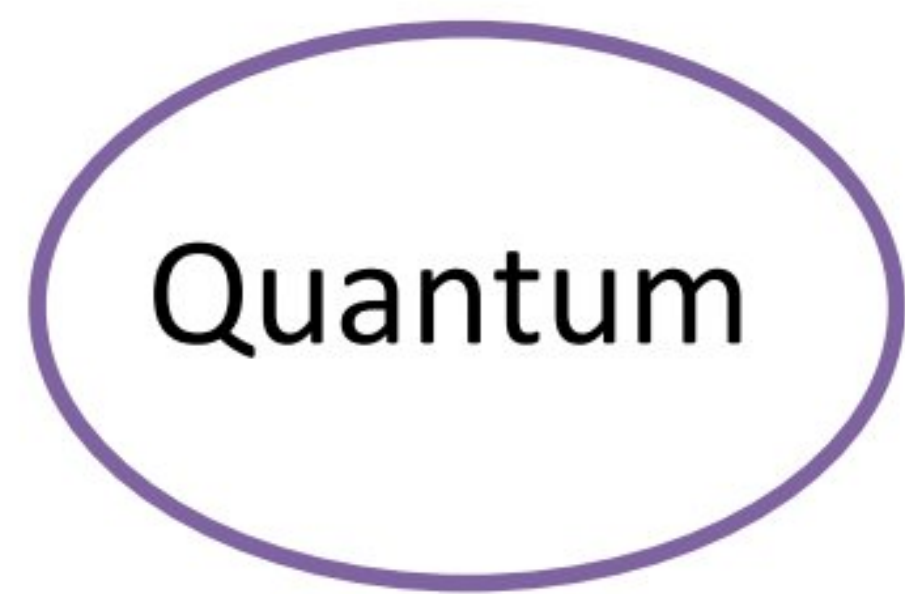

- Place QR code which gives information about the historical information, photograph and videos.
- Creating platform where different states of people share their heritage .

• TECHNOLOGIES TO BE USED

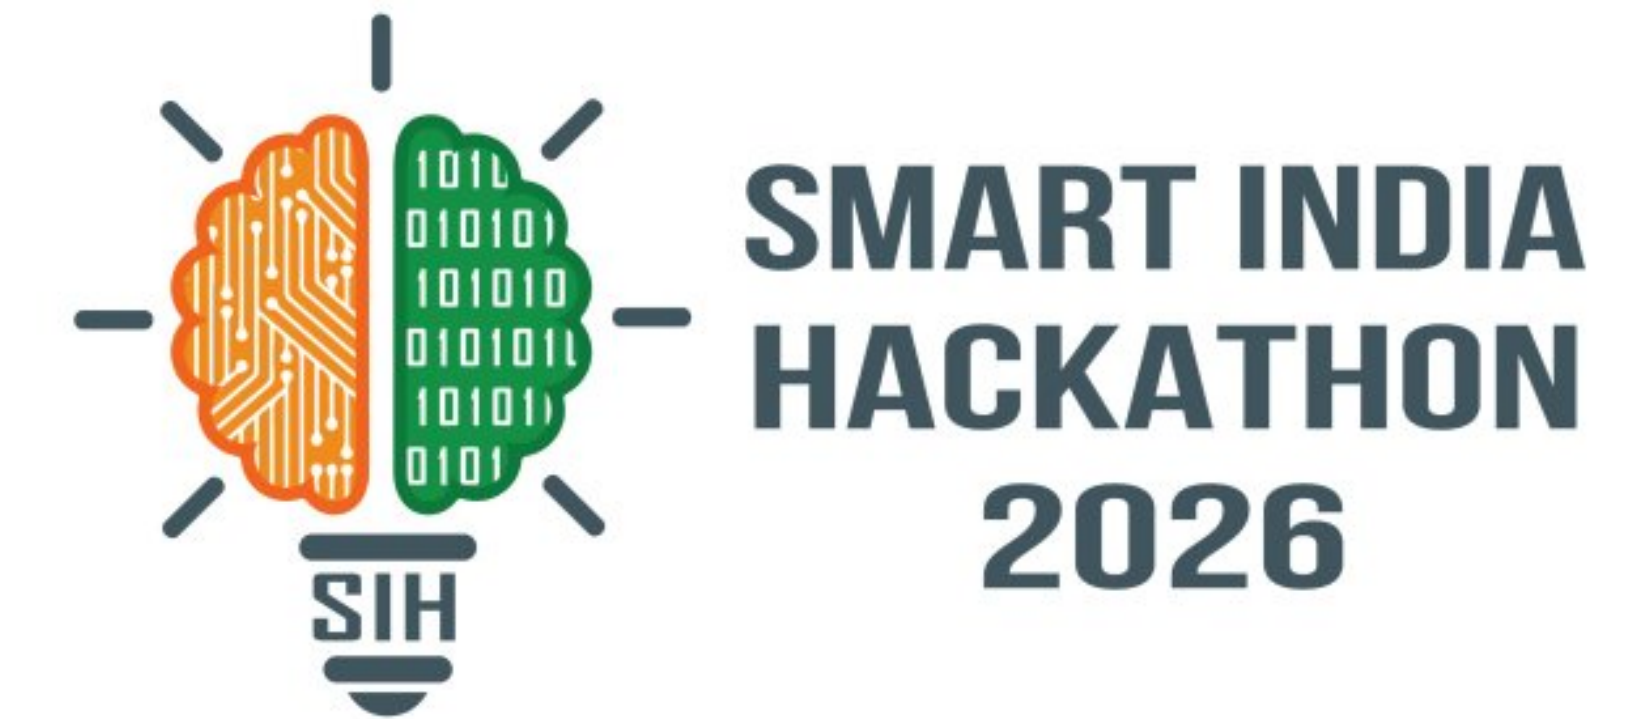

- HTML,CSS,JAVASCRIPT(designing)
- Google Maps API(location and navigation)
- Cloud database(stores historical information)
- Cloud storage(stores image,report)
- QR code technology
- CMS(allows to update information)
- Analytics

• METHODOLOGY

FEASIBILITY AND VIABILITY

THE PROBLEM

Heritage sites offer no interactive context
visitors walk past centuries of history with zero engagement

India's regional traditions (food, art, festivals, language)
stay siloed within states, rarely reaching other communities

Aligns with Digital India's cultural preservation and accessibility mission

OUR SOLUTION

QR Heritage Trails

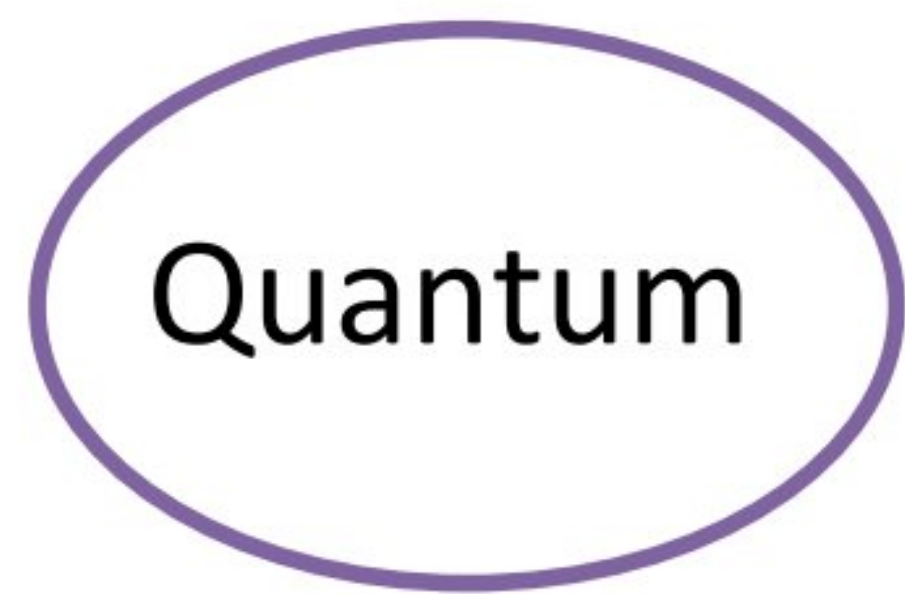

Scan a code at any monument/site to unlock stories,
archival photos, video, and multilingual audio narration

Culture Exchange Map

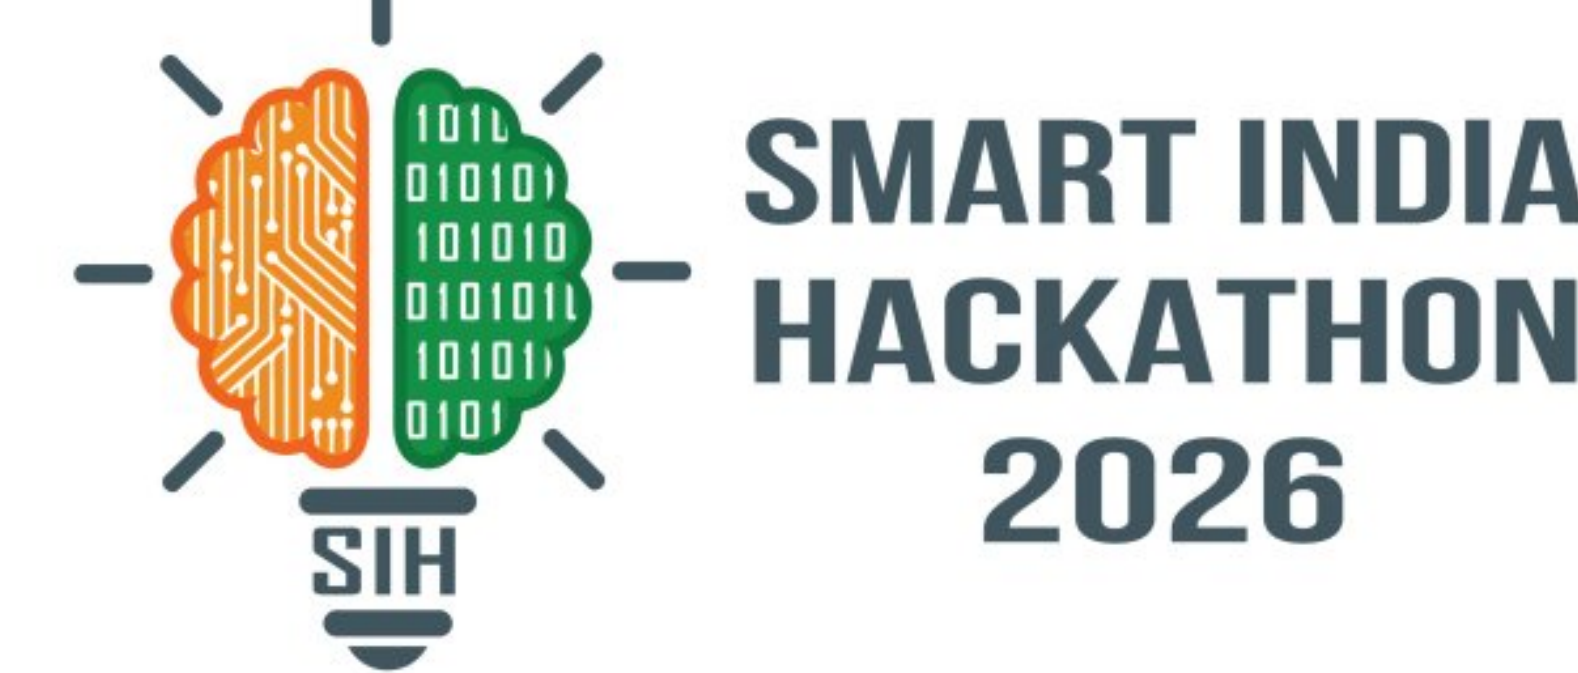

Crowdsourced hub where users upload and
browse traditions food, art, clothing, festivals
from every Indian state

Cross-linking Engine

Connects related traditions across states
(e.g., all harvest festivals)

IMPACT AND BENEFITS

TARGET AUDIENCE IMPACT ANALYSIS

- **TOURISTS & VISITORS**

Get instant information by simply scanning a QR code.
Explore heritage sites independently without waiting for a guide.
Understand the history, architecture and cultural significance of each location.

- **STUDENTS & RESEARCHERS**

Easy access to authentic historical and cultural information.
Supports educational visits, projects and research.
Makes learning about heritage more interactive through photos, videos and stories.

- **LOCAL COMMUNITIES & TOURISM SECTOR**

Promotes local history, traditions, art and culture.
Improves the visitor experience and encourages longer engagement.
Creates greater awareness of lesser-known heritage sites.

BENEFIT ANALYSIS

- **TOURISTS & VISITORS**

Get instant information by simply scanning a QR code.
Explore heritage sites independently without waiting for a guide.
Understand the history, architecture and cultural significance of each location.

- **STUDENTS & RESEARCHERS**

Easy access to authentic historical and cultural information.
Supports educational visits, projects and research.
Makes learning about heritage more interactive through photos, videos and stories.

LOCAL COMMUNITIES & TOURISM SECTOR

Promotes local history, traditions, art and culture.
Improves the visitor experience and encourages longer engagement.
Creates greater awareness of lesser-known heritage sites.
